

MURPHY D. FACEY

SOFTWARE DEVELOPER

I am a web developer with extensive experience and expertise in all phases of web development. I am responsible for testing and debugging the user interfaces of various projects. I specialize in developing, implementing, testing, and maintaining web systems. I am knowledgeable in a wide range of technologies, including VueJS, NuxtJs, MongoDB, PostgreSQL, and Java. I work well both independently on assignments and with others in team meetings.
